

Protect your vehicle with **Autoglym Paintwork Protection – for life!**

JTC Motors offers Autoglym LifeShine Paintwork Protection, a premium treatment that ensures your car stays in pristine condition for years to come. This advanced ceramic coating provides superior protection against the elements, keeping your paintwork glossy and shielded from dirt, road salt, and contaminants.

What's included?

For just **£399**, our Autoglym Paintwork Protection package includes:

- ✓ **Ceramic Coating for Paintwork** – Creates a durable, high-gloss barrier that resists environmental damage.
- ✓ **Interior Protection** – Shields fabric and leather from stains, spills, and everyday wear.
- ✓ **Glass Treatment** – Enhances visibility and water repellency for safer driving.
- ✓ **Lifetime Warranty** – Peace of mind that your vehicle stays protected.

Why choose Autoglym LifeShine?

- ✓ Long-lasting showroom shine.
- ✓ UV protection to prevent fading.
- ✓ Easier maintenance – Less time cleaning, more time driving!
- ✓ Increased resale value – Keeps your car looking newer for longer.

Available for ALL vehicles!

We're happy to offer this service to both our customers and external customers. An initial valet is required and will be subject to a small additional charge.

Book your Paintwork Protection today and give
your vehicle the ultimate care it deserves!
